We, the undersigned parents/guardians, do hereby state that we have read the school's purpose, objectives, statement of faith, discipline plan, and Parent/Student Handbook, and are willing to abide by them for the Christian training and education of our child(ren).

We agree to:

- Support the school's dress code, discipline, and standards of conduct, and we vest authority in the school authorities to discipline in our stead as they see fit.
- Be active in the school's programs, attend meetings as requested by the teachers, administrators, or Board and to have our child(ren) participate in community service and extra-curricular activities within reason in accordance with school policy.
- Pay for any damage, willful or otherwise, (including abuse of such property) caused by our child(ren).
- Allow our child(ren) to attend all field trips as may be deemed necessary by the school, having met the Handbook standards.
- Give authority to the school to take photographs/video of my child(ren) to be published in any format for documentary/marketing purposes.
- Give authority to the school to take our child(ren) to the hospital, doctor's office, or dental office for emergency treatment if we are unable to do so ourselves, and to administer Tylenol, cough drops, or a mild antacid if necessary.
- Register complaints regarding school rules, procedures, etc., only with teachers or administrators, and not with friends or other parents. We agree to work through the teacher and administrators to effect reconciliation in the case of disagreement between our child(ren) and another child(ren), or teachers.
- Cooperate with the administration in the removal of our child(ren) from the school, whether it be our desire or the school's request, and to do so as quietly as possible, avoiding discussion with those not involved, so as to avert a spirit of dissension and division, which would be to the detriment of both the school and the child.
- We understand that the school has a no tolerance policy for use of drugs; and in addition to screening upon entrance, students are also randomly tested during the year.
- Ensure that all accounts are current; more specifically, lunch money will be placed on the family account regularly, if applicable, and will not incur a negative balance. Otherwise my child(ren) will not be allowed to charge lunch.
- Meet financial agreements on or before the due date for all fees.
