Triple C...It's the place to be!!

WELCOME TO TRIPLE C SCHOOL

Triple C School has a dual objective to develop the intellect of its students through strong academic programs and their character through numerous and varied experiences. The success of this dual objective is dependent on a staff of competent, dedicated Christian professionals who are role models, and governed entirely by a world view that is founded firmly in the infallible Word of God. We strive to communicate clearly to our students that the Bible and the teachings of Jesus are not to be relegated to some small religious compartment, but to be effective they must be totally integrated into all aspects of our lives. While we realize that this decision must be left entirely in their hands, we hope and pray that all of our students will be analysts, thinkers, activist Christians, and people of high moral and Christian stature--not only adopting Christian attitudes, but becoming totally committed to Christ and His way.

We seek your cooperation, care, prayer, and financial support so that Triple C School may continue in its fine heritage of providing an education that will help each child to develop his/her full potential, and fulfill his/her God-given purpose.

WHY SEND YOUR CHILD TO A CHRISTIAN SCHOOL?

It has generally been thought that the religious training of children should be the responsibility of the church and parents. We do not take issue with that stand. However, when one recognizes that the school has the child about one-half of his waking hours, the parents have him about three-eighths and the church about one-eighth, it is clear to see why the secular, sometimes anti-Christian, nature of the non-Christian school and society can destroy what the church and home are trying to do.

For parents who want a Christian foundation and reinforcement of Christian values taught at home, the Christian school is the answer. The Christian school is also the answer for those parents who accept the great practical truths of the Christian religion as a good foundation for living and who recognize the strong academic foundation provided by many Christian schools.

Triple C will not sacrifice any part of the child; our goal is for the children to "grow in wisdom, in stature, and in favor with God and man". The school gives you its assurance that we will do everything in our power to see that your child develops his full potential academically, socially, physically, and spiritually. For the sake of the child, the society, and the Lord, we dare not neglect any area.

You have chosen well to send your child to a Christian school. It is a decision that will have far-reaching effects. We seek your support as we work together to train and mold our children and youth.

We have an awesome responsibility, but with God's guidance and a cooperative effort on our part, we can educate our children for time and eternity.

1.1 THE PAST

In the fall of 1941, Triple C School became the first organized school to offer both elementary and secondary instruction on the island of Grand Cayman. The 1941 inception began with an educational pioneering spirit, which still exists. For this reason, Caymanian citizens look upon Triple C School as an innovator, a first-rate school, and a strong Christian influence in the Cayman Islands today.

The Church of God (Anderson, IN) Missionary Board responded to the need for organized education on Grand Cayman when Mr. Orren Merren II and Miss Ena Merren requested assistance in establishing a Christian school. Soon after, the school was started, conducting classes in the second floor of a small building on the waterfront now a part of the National Museum. Mrs. Nina Ratzlaff became the first principal.

Together with the General Assembly of the Churches of God in the Cayman Islands, which administers the school, Mrs. Ratzlaff adopted the American educational system. This decision was based upon the close cultural, economic, and social ties with the United States, its physical proximity, and the availability of Christian teachers from that country through the Missionary Board.

In 1943 the students, with the help of Mrs. Caroline (Glassman) Merren, the principal, chose Triple C as the school's name, representing Creative Christian Character. In 1962 the General Assembly of the Church of God in the Cayman Islands and the Anderson Missionary Board decided that Triple C School should become an independent company, but remain under the auspices of the General Assembly of the Church of God and associated with the Anderson headquarters.

The first building, an attachment to the George Town church, consisted of a sand floor with wood part of the way up on three sides and canvas attached to the wood extending to a metal roof. When it rained, students and teacher headed for shelter in the church, which was also used for classes.

The physical structure of Triple C improved in time. In 1963 the school moved to a new location off Hospital Road. The school moved to a large modern facility on 12.3 acres in January 1997.

1.2 THE PRESENT

Triple C School is presently housed in one spacious, modern building of 55,000 square feet. There are 22 large classrooms, including 5 specialized rooms (Computers, Science, Home Economics, Art, Music/Band) custom built Kindergarten rooms, a large library, and a multi-purpose hall used for assemblies, cafeteria, drama and sports. Additionally, there is a detached building which houses the Preschool. There are two soccer fields. Lighting and bleachers have been planned for at least one of these fields. There is an outdoor multi-purpose court. Future developments include a 400-metre running track, swimming pool, and an Industrial Arts wing.

There are five divisions in the school with approximate ages as shown below:

Pre-School and Pre-Kindergarten		3 -4 years old
Kindergarten		5 years old
Elementary	(Grades 1-5)	6 – 11 years old
Middle School	(Grades 6-8)	12 – 13 years old
Senior High	(Grades 9-12)	14 – 17 years old

1.3 MOTTO

To grow in wisdom and stature, and in favor with God and man. From Luke 2:52

1.4 MISSION STATEMENT

Triple C School partners with families to provide an internationally competitive education in a Christ-centered environment and seeks to lead students to fulfill their God-given purpose.

1.5 THE VISION

Triple C School students will acquire wisdom, knowledge, and a Biblical world view as evidenced by a commitment to Jesus Christ with a lifestyle of creativity, character, leadership, service, stewardship and worship.

1.6 STATEMENT OF FAITH

We believe the Bible to be the inspired and only infallible authoritative Word of God.

We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit, and that God is the Creator of heaven and earth.

We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

We believe that God loves each person and desires the salvation of all.

We believe that regeneration by the Holy Spirit is absolutely essential for salvation of lost and sinful man and results in the new birth whereby sinful man becomes a new and different creature.

We believe in the present ministry of the Holy Spirit, by whose dwelling the Christian is enabled to live a godly life.

We believe in the spiritual unity of believers in our Lord Jesus Christ.

We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation.

We believe the Christian has a responsibility and privilege to share the gospel with others. Matt.28:19-20.

1.7 PHILOSOPHY STATEMENT

As a ministry of the General Assembly of the Church of God in the Cayman Islands, Triple C School is dedicated to developing the Christian, moral, and intellectual growth of the young people of these islands; this purpose has been the impetus for the last 65+ years and continues to be so today.

Its modus operandi is informed by vigorous biblical and educational beliefs including a philosophy that all academic pursuits, although valuable, should be permeated by and interpreted from a Christian perspective. We believe that the student is a total and finite individual with a purpose in life and thus our goal is

- to educate body, soul and mind;
- to maximize each student's potential;
- to prepare each one for a life of service and eternal presence in the Kingdom of God.

Triple C School is distinctive in this community as it is both the largest and the oldest of the American system schools catering to students from pre-kindergarten through to graduation in Grade 12. It is remarkable also for the breadth and scope of its teaching, as well as for its integration of Christian instruction throughout the entire curriculum.

Its goals are achieved through traditional instruction, extra curricular activities, teacher-student interaction, biblical foundation and integration in all classes, chapel services, and church-connected activities.

1.8 STATEMENT OF BELIEFS

1. God is the Creator and Sustainer of all things and the source of all truth.
2. God maintains control over His entire universe.
3. Because of sin, man tends to omit God and thus fails to relate himself and his knowledge to God, the source of all wisdom.
4. Regeneration is by faith in Jesus Christ. True meanings and values can be ascertained only in the light of His Person, purpose, and work.
5. God has revealed Himself in a general way in His world and the universe, and in a specific way in the Bible.
6. The home, the church, and the school should complement each other, promoting the students' spiritual, academic, social, and physical growth.
7. While at school or school activity, the teacher stands in the place of the parent.
8. God has given differing abilities to each student. It is the teachers' responsibility to motivate each child to reach beyond his grasp while being sensitive to his/her present academic level.
9. The Christian is not to be conformed to the world but must recognize his responsibility in our free society.
10. The students' home, church, and school experiences and training should be a preparation for life: a life of fellowship with God and service to man.
11. The prayer of a righteous person has a powerful effect.

1.9 GOALS

The educational program and the methods of instruction are dependent on a Biblical philosophy and objectives to provide the viewpoint, general background, truth and principles for interpreting the facts encountered in the study of any subject.

The curriculum and its related activities are planned to fulfill several purposes:

- To lead each student to a life of Christian commitment and service. (I Peter 4:11, Matthew 6:19)
- To envelop each student with an environment to enable him to grow as a total person. (Galatians 5:22, Proverbs 11:30)
- To produce students of uncompromising moral caliber. (I Peter 2:12)
- To prepare students to enter the job market in the Cayman Islands with skills that enable them to cope efficiently with demands and competition at an entry level. (Colossians 3:23)
- To prepare students to enter and succeed at the university level. (II Timothy 2:15)

1.10 OBJECTIVES

We believe that the concepts and objectives of a Christian educational philosophy should be based on the following:

1. To promote the cause of education and true Christianity by training boys and girls for Christian leadership and developing Creative Christian Character.
2. To conduct an elementary and secondary school that offers courses that will enhance one educationally as well as aid in the development of Christian character and leadership.
3. To teach that the Lord Jesus Christ is the Son of God who came to earth to die for our sin.
4. To teach the necessity of being born again by receiving the Lord Jesus Christ through the leading of the Spirit of God.
5. To teach that growth in the Christian life depends upon fellowship with God through reading and obeying the Bible, prayer, service, church commitment, witnessing and fellowship.
6. To teach that the Bible is the only Word of God and that it is practical and important.
7. To teach the application of Biblical ethics and standards of morality to every part of life.
8. To teach the student to manifest fairness, courtesy, kindness, and other Christian graces.
9. To teach the student to respect and relate to non-Christians and Christians who hold differing views.
10. To relate the various subject matter areas with the truth of the Bible.

11. To teach the student to apply himself to his work in order to fulfill his various responsibilities and honor his God-given talents.
12. To teach that God is the Creator and Sustainer of the universe and of man.
13. To teach the student to work independently and cooperatively.
14. To teach the student to think for himself and to stand up for his personal convictions even under pressure.
15. To develop the creative skills of the student.
16. To develop an appreciation of the fine arts.
17. To develop effective communication skills in the student.
18. To teach the knowledge and skills needed for future study or for occupational competence.
19. To develop desire and discretion in wholesome physical and mental recreation.
20. To show the student his present civic responsibilities and to prepare him for adult responsibility as a citizen of our country, our world, and of heaven.

OBEDIENCE – Follow instructions the first time.

PUNCTUALITY – Be on time for all classes, meetings and activities.

PREPAREDNESS – Be prepared for all classes and activities

1.12 SCHOOL STAFF

The School is administered by a Principal/Chief Administrative Officer, two Vice-Principals, and a Human Resources Manager. There is a staff of fully qualified teachers (full and part-time) aides, and ancillary staff members. All are Christians.

1.13 GOVERNING BODY

A Board of Directors of 10- 15 members governs the school. Two thirds are selected by the governing board of the Church of God Chapels in the Cayman Islands, the parent body of the school. The alumni and the PTA each have a representative, and the Missionary Board of the Church of God has one representative. Up to three members may be co - opted from the community. Members serve for two years at a time except for the PTA and alumni representatives, who serve for a one-year period. They may succeed themselves. Two staff members also serve as non-voting representatives: the Principal/Chief Administrative Officer, and one faculty member chosen by the teachers.

GENERAL POLICIES

2.1 SCHOOL-WIDE EXPECTATIONS

Triple C believes that it is the role of the school to provide an environment conducive to learning. In order to achieve this goal, it is imperative that the students interact in an orderly manner. Students should conduct themselves honorably, courteously, and respectfully.

In order for Triple students to attain the best education they are expected to adhere to the following:

1. Attend school everyday and be on time for all scheduled classes, meetings and activities.
2. Adhere to dress and uniform policies
3. Treat everyone and everything with respect.
4. Follow instructions the first time
5. Remain in designated areas and on school grounds
6. Be prepared, participate, and produce as requested
7. Follow all relevant school regulations

2.2 ENROLLMENT

Triple C School is a small school and is able to accept a limited number of students. Acceptance is based on the answers to these simple questions:

1. Will the programs presently offered at Triple C meet this child's needs?
2. Will this child contribute in a positive way to the development of creative, Christian character?
3. Will the family understand and accept our philosophy and cooperate fully in the Christian training and education of their children?

Preference is given to:

- Children of alumni
- Siblings of present students
- Children from families who attend the Church of God
- Children from Christian families who attend other churches
- Caymanian children

The Education Law requires all children who are entering school in the Cayman Islands for the first time to register with the Education Department and to have a medical examination. All students in Grades 6 - 12 will be given a drug screening test before official enrollment. Random testing is done in grade 6-12 throughout the year.

2.3 WITHDRAWALS

Triple C School reserves the right not to re-enroll or to dismiss a student or ask parents to withdraw their child from the school if, in the discernment of the administration, the student is: not cooperating with the educational process; refusing to conform to the rules and regulations as covered in the Student Contract; acting in ways (in or out of school) that put others' safety in jeopardy; or whose continued presence is seen to undermine the spiritual goals of the school and/or the spiritual growth of the students.

Parents should conference with the principal or vice principal in cases of parent-initiated withdrawals. A withdrawal form is to be completed and signed by the parent, the teachers concerned, the principal or vice principal, the bursar, and the librarian.

When students are expelled or asked to withdraw for disciplinary reasons, neither a refund of tuition nor any other fees will be made.

2.4 PAYMENT OF SCHOOL FEE

Tuition payments at the beginning of the school year (regardless of plan) are due the first week of August. Monthly payments are due the first day of August and the 1st of each month thereafter through May. Quarterly and semester payments must be made prior to the beginning of the new quarter or semester. Failure to meet these deadlines will result in late fee of \$25 as well as possible withdrawal of your child from the school. If a student enrolls or withdraws within the month payments are prorated for the period of time a student has attended.

2.5 ATTENDANCE (Absences)

Students are expected to attend school every day. Absences hinder your child's learning process and increase work for your child and the staff. It also impacts negatively on the other members of the class. **Therefore, absences should be restricted to unplanned events such as illness and family emergencies. Trips off the island are strongly discouraged when school is in session. However, the school understands that extenuating circumstances may arise from time to time. To qualify as excused, absences require administrative clearance.**

Parents are asked not to send children to school when there are signs of illness such as fever, rash, diarrhea, vomiting, colored nasal discharge or other symptoms of severe discomfort. If these symptoms/signs develop during the day the parent will be asked to take the child home.

Parents will be contacted if a child feels ill during the school day.

Students who arrive before the tardy bell and who leave at any time after their lunch period and before regular dismissal time will be counted as present for 1/2 day.

Students may be checked out for dental and doctor appointments; however, parents should attempt to get these appointments after school. If students are to be checked out during the school day for such appointments, the office should be notified by note in advance. The parent/guardian must sign out the student at the office.

On the third day a student returns from an absence, he/she must bring a note from home. Secondary students are to hand in the note to the office and an admit slip will be given for admission to class. Elementary students will give their notes directly to their teacher.

It is the student's responsibility to ask the teacher(s) for any work missed and complete it within the time limits given by the teacher. Failure to do this will result in a 'zero' for each missed assignment. Students may be asked to remain after school to receive instruction after an absence. This policy also applies for in-school and out-of school suspensions.

If a student is absent the day of test/quiz, he/she must take the test on his/her first day back after the absence PROVIDED he/she was present when the test was announced. If a pattern of regular absence when a test is scheduled is noted, then a doctor's note may be required.

Students who are absent more than 20 days per year for any reason, excused or otherwise, may not be promoted to the next grade or obtain graduation status. [NOTE: Every fifth tardy to school is recorded as one day of absence; get to school on time!]

2.6 ARRIVALS and DISMISSAL

Students should not arrive on campus before 7:30 a.m. Gates open at 7:30 a.m. Supervision is provided for students in Grades Pre-School–Grade 5 from 7:30 a.m. in the Before School Care Program.

Secondary students (Grades 6-12) will remain outside in front of the school or in the canteen until 8:00 a.m. There is no supervision before 7:30 a.m. and students will not be allowed on campus.

Arrival to rooms should be between 8:00-8:10 a.m. The final bell rings at 8:10 a.m. All children are expected to be in their seats at the time designated for their classes to begin. **IF THEY ARE NOT, THEY ARE CONSIDERED TARDY.** Morning devotions with prayer and daily announcements are made at this time. Please help your child to be punctual. Tardiness disrupts the learning process and places the other students, as well as your child, at a disadvantage. **Students will accrue 1 day of absence for every 5th tardy.** See Discipline Plans. Students who arrive to school after Homeroom period must obtain a tardy slip from the office. Recognition is given to those who have perfect attendance and are punctual.

Dismissal times are as follows:

	MONDAY-THURSDAY	FRIDAY
Pre-Kindergarten, Kindergarten	2:50 pm	1:00 pm
Grades 1–5	3:00 pm	1:00 pm
Grades 6–12	3:11 pm	1:06 pm

2.7 AFTER SCHOOL CARE/SUPERVISION

STUDENTS SHOULD BE PICKED UP IMMEDIATELY AT THE DISMISSAL TIMES AS STATED ABOVE IF THEY ARE NOT REGISTERED IN THE AFTER SCHOOL CARE PROGRAM.

After School programs begin at 3:30 p.m. (Mondays-Thursdays). There is no supervision after 3:30 p.m. (Mondays-Thursdays) and 1:20 (Fridays) except for students in After School Care and those in a school approved or sponsored activities/clubs. The school cannot be responsible for students outside the hours stated above. All elementary students PS - Grade 5 who are not picked up on time will be taken to After School Care and charged an hourly rate. PS-K students will be in the Pre-School building. Grades 1-3 will be in Room 114A. Grades 4 & 5 will be in the Library. All secondary teachers remain at school until 3:30 p.m. to assist students who need extra help; therefore, students may be asked to remain after school to receive special help. Parents will be advised with sufficient notice.

2.8 PERMISSION TO LEAVE SCHOOL GROUNDS

Unless authorized by the Administration, students are required to remain on campus throughout the entire day. A student may leave the school grounds for lunch if he/she is accompanied and signed out by a parent or has a senior honors pass. All students leaving must sign out/in at the office.

2.9 HOUSES (TEAMS)

The students are divided into houses, sometimes referred to as teams. Each house is represented by a different color on the T-shirt and the name of the house on the back: Angels-Yellow, Kings - Blue, Saints - Green. The teams compete in various ways during the year.

2.10 CANTEEN/LUNCH

The school's canteen provides snacks and a hot meal every day at a reasonable cost. Menus are published at the beginning of the month and are posted on the website. Patties and sandwiches are also available. Parents are responsible to keep funds in the student's account. Account balance is a minimum of \$50.00. Students are to eat in the canteen or other designated areas. No one should sit on the tables inside or outside at any time. Students may bring their lunches from home. **Parents are not to bring restaurant food for their children at lunchtime.**

2.11 DRESS CODE (applies to Triple C campus and Triple C activities regardless of location)

All students at Triple C School are required to wear the prescribed uniform. Uniform inspections are done regularly. Boys and girls in Pre-School and Pre-K must wear red shorts and a Triple C t-shirt.

Shirts Shirts must be a good fit and tucked in at all times. Shoulder seams should be no more than 2-3 inches from the edge of the shoulder. The sleeve edge must not fall below the elbow. Collars and sleeves are to be in their normal positions (not flipped or rolled up) and free from decorations.

'Bangs' must be kept above the eyebrows.

P.E. Uniforms. All students in P.E. classes must wear the regulation P.E. uniform consisting of a house T-shirt, red gym shorts, white socks, and sneakers (any color). Shorts must neither be too tight, too short, or too baggy. Their uniform preparedness is a part of the P.E. grade. This also applies to shorts worn on the school grounds for other activities. Grades K-5 must wear PE uniforms to school on PE days.

Our children should always present a clean, neat and attractive appearance. This needs special parent and teacher concern, not only to have uniforms clean and pressed, but also to engender a spirit of pride (in the positive sense) in the child for his appearance.

2.12 CASUAL/ “FEE” DRESS DAYS

The school may allow students to wear casual clothes from time to time. It is a privilege, not a right. Short shorts, skirts/dresses, tops showing midriffs, excessive halters, cleavage tank tops, spaghetti straps, tight clothing, etc., are not allowed. Girls may wear t-shirts, blouses or polos, and boys may wear t-shirts, button down shirts, or polos. T-shirts may not display messages regarding drugs, alcohol, sex, secular music groups or derogatory/ insulting/ negative messages, etc. Both girls and boys may wear jeans, slacks, or shorts no shorter than 4 inches above the knee. Girls who intend to wear form-fitting pants must wear a loose blouse, or shirt, that covers down to their mid-thigh (jackets and/or shirts tied around waist do not qualify). Torn jeans are ok but must have no tears above the knee. Shorts and pants must fit in the natural waist. They must neither be too baggy nor too tight. Shoes must have a strap to the back or be closed.

Students who violate the dress code will not be allowed to participate in the following fee dress day and will not be admitted to class until they are in compliance with the dress code. Students in Grades 6-12 will also receive a detention. A second offense will result in this privilege being withdrawn for the rest of the year. **The administration reserves the right to decide if clothing is acceptable.**

2.13 INCENTIVES

The following incentives are in place to motivate students (grades K-12) towards doing their best in school:

1. FREE DRESS PASSES – issued by administrators to students who have displayed/demonstrated outstanding character either through a single act or over a period of time. The recipient can redeem the pass at any time during the year for one day of casual dress.
2. GREATEST EFFORT – a weekly award issued in each class (can be academic or behavior-based) Names (not reasons) are announced in Chapel then placed in a jar for a prize drawing.
3. Various special rewards (outings, parties, etc.) for long-term excellence in Citizenship.

2.14 DISCIPLINE

As a Christian school, Triple believes that God endorses discipline through the Biblical commands regarding respect for authority.

Students are taught to obey their parents, teachers, civil authorities, and those who are over them spiritually in the Lord within their churches. In the school, the teachers and Administration represent the parents, and the directives of the Bible about child-parent relationships are applicable during school. The teachers are therefore viewed as being placed in positions of authority over the students by the will of God, so the directive to obey those who have spiritual authority is applicable.

Triple C School believes that the methods of teaching behavioral and mental discipline to students must align with the methods that God gives in the Bible for training children. The school is aware that many contemporary psychologists and educators reject these beliefs and methods; however, the school believes that the Biblical methods are the valid ones. The teacher's demeanor, his/her sincere and consistent interaction with the students, reproof, admonition, and counsel are the means of discipline used most often.

The school strongly believes that the onus of for responsible behavior falls on the student. We attempt to provide the environment for students to nurture this desire and learn to interact in an orderly manner. When students fail to respond positively to the established order, then consequences will be given.

Non-compliance with school expectations will result in consequences. An explanation of discipline procedures can be found in each program section (elementary and secondary). The school will provide every opportunity for your child to respond to positive discipline. The following philosophy is foundational to our discipline plan:

- Preventative** Proper structures will be instituted and implemented to minimize situations of inappropriate behavior.
- Positive** Regular awards/rewards will be used.
- Pastoral/Prayer** Referrals to the Spiritual Life Director, Councilor, the Vice-Principals, or the Principal. A significant part of this discipline will be a direct application of God’s Word and prayer for and with the student.
- Parental Partnership** Parent involvement from the beginning so that the problem and the plan of action are a shared responsibility.
- Punitive** A combination of consequences and guidance efforts is an important part in striking a balance between warmth and discipline and training up children in the way that they should go.

2.15 CHAPEL/DEVOTIONS

Daily devotions and prayers are an important part of the day. An inspirational thought and a prayer are given over the intercom daily. On Friday all students attend a chapel service. Chapel is divided into 2 age groups: K-Grade 5, and Grades 6-12. PS and PK will be invited by the spiritual life director to age appropriate chapels and assemblies. Parents are always welcome to attend Chapels.

2.16 SCHOOL-WIDE CLASSROOM POLICIES

Triple C believes that students must be taught to be neat and organized. In order to help with this task, a few policies have been put into place:

1. All students will be expected to have the supplies required as published on the website.
2. All students in Grades 2-12 will be expected to have an Assignment Book for daily use, which must be purchased from the school’s Bookstore.
3. Cursive handwriting is taught in Grades 2-5. All students in Grades 3-6 will be required to use cursive writing on some or most assignments. Students in Grades 7-12 may be expected to use cursive or script writing or typewritten form as directed by the teacher. Handwriting must be neat and legible.
4. This specific format is prescribed for both class work and work to be graded:

Date
Subject

Full name (first and last)
Grade Level

Title of Work
(Centered)

2.17 ACADEMIC EXPECTATIONS

1. Students are to turn in all assignments and homework on time as requested by the teacher. Missing and late work will negatively affect grades. Parents will be contacted if this becomes an on-going problem.

8. Senior students (Grade 12 only) who fail any required course or fall short on the number of credits required will receive a certificate in lieu of a diploma. If the subject is made up during the following summer, the diploma will then be issued.

2.18 REPORT CARDS

Parents are encouraged to regularly check RenWeb, our online school management system, for up-to-date information on class objectives, work assigned and grades earned. Interim Reports, End of Quarter Reports, and End of Year Reports are posted this way. Please contact the office if you are unable to access this information online.

2.19 HONOR ROLLS

The Elementary Academic Honor Roll is calculated using students’ overall averages from classes.

Principal’s Honor Roll	90-100%
Honor Roll	80-89%

The Elementary Citizenship Honor Roll is calculated using the letter grades issued for behavior and citizenship.

Principal’s Citizenship Honor Roll	All E’s
Citizenship Honor Roll	All E’s and G’s

The Secondary Academic Honor Roll is calculated using students’ overall averages from classes and semester exams.

Principal’s Honor Roll	96-100%
Honor Roll	85-95%

The Secondary Citizenship Honor Roll is calculated using a 4-point scale and considers classroom citizenship grades as well as an overall campus citizenship grade. Students who achieve an average of 3.4 or above will be on the Citizenship Honor Roll. 2.20 TUTORING

Any secondary student not achieving an acceptable academic standard may be required to attend help sessions any afternoon after school as the teacher deems necessary. Parents will be given 24 hours notice if the length of time will be over 20 minutes.

2.21 EXTERNAL TESTING

Each year the school administers the ACSI standardized assessment to all students in Grades K-12. The Scholastic Assessment Test (SAT) and American College Test (ACT) of the College Entrance Examination Board are administered twice each year. The Preliminary Scholastic Assessment Test (PSAT) is offered once per year.

Students are prepared to site the CXC (Caribbean Examination Council) in Grade 11 and move on to the AP courses (Advanced Placement for college credits) in Grade 12. Both of these programs are optional and are offered in addition to the selection of diplomas available.

2.22 PARENT CONFERENCES

Conference opportunities are scheduled at least twice yearly-at the end of the first and second quarters. Parents or teachers may, of course, request a conference at any time. If a parent is requested to have a conference concerning a disciplinary or academic matter and refuses or fails to come in after three requests from the Principal, or if a parent consistently fails to abide by the established rules of the school, the student may be suspended and/or may be asked to withdraw from the school.

Medication to be taken at school must be brought to the office in its original container along with directions from the parent/doctor. (See Appendix IV, V, and VI)

3.6 GOD'S CREATURES

In the interest of student safety and concern for the treatment of animals, no student – without permission and supervision of a teacher – is to capture any live animal on the school's campus. Teachers may, from

time to time, authorize the careful capture of certain creatures for the purpose of study. These creatures, with the exception of insects, are to be examined/observed then released back into their natural habitats.

3.7 CAMPUS CARE/SAFETY

Students are expected to take pride in the appearance of the school campus and buildings and to make a concerted effort to keep the grounds safe, clean, and attractive. They are also expected to value school property and to show courtesy and respect for the rights and property of others.

The school is fully equipped with all fire equipment as required by law. Fire drills are carried out three times a year by law. Fire escape routes are posted in each room. The school also has emergency procedures for earthquakes and intruders. Drills for these procedures are conducted periodically throughout each school year.

If severe weather conditions or other circumstances force the school day to be terminated early or canceled, radio and local television media will be notified. Further instructions will be left on the school's voice message system.

Bicycles may be ridden to school but never under the porte-cochere or on the sidewalk. All bicycles are to be left in the designated area. Bicycles are not to be ridden on the school property during the school day.

Students are not allowed to kick balls under the porte-cochere, the back porch, or at the building or anywhere inside the building. This restriction includes the Multi-purpose Hall.

1. Speak with the child's teacher
2. Speak with a Vice-Principal
3. Speak with the Principal

4.1 PRE-SCHOOL

The Pre-School is a caregiver/child interactive environment for 3 year olds. The philosophy of the Pre-School is to provide a nurturing, stimulating environment with caring adults for small children to develop socially and intellectually. The emphasis is on play and interaction both with the adults and the other children in the group. This play is carefully structured to reach the objectives in a totally stress-free environment. The children are taught Bible stories, taught to pray, and will sing Christian songs to begin the foundation for a respect of Christianity and a commitment to Jesus Christ.

4.2 PRE-KINDERGARTEN

The Pre-Kindergarten department provides the building blocks for the Elementary experience. Children are enrolled in Pre-Kindergarten at 4 years of age. These children enter a world enriched with many enjoyable learning experiences that provide just the right balance of social, intellectual, and developmental activities to prepare them for Kindergarten. The Pr-Kindergarten objectives cover personal/social/emotional development, language development, quantitative experiences, Music, Art, Bible Education, P.E., and playtime.

4.3 KINDERGARTEN

Children are promoted to or enrolled in Kindergarten at 5 years old. More focused readiness activities take place in this class. Children embark on academic pursuits as they learn their letters and sounds as well as word attack skills using a variety of developmentally appropriate curricula. Most children can read 50 words or more by the end of the Kindergarten year; many are already reading on the first grade level. The child is fully ready for Grade 1 and the academic and physical programs of that grade after he or she has completed the stimulating activities in Reading, Math, English, Science, Social Studies, Writing, Bible, Art, Music, and P.E.

4.4 ELEMENTARY (Grades 1-5)

Grades 1-5 are taught in a self-contained classroom consisting of one main teacher and specialist teachers for Art, Music, P.E., and Spanish. The program offers a full range of core and non-core subjects. Most classes have between 20 and 25 students.

Bible – Students are introduced to scripture and Biblical truths through Bible stories and study using the Association of Christian Schools International (ACSI) curriculum. Focus is placed on application of these truths to daily life.

Language Arts – This includes oral reading, spelling, phonics, comprehension, grammar, creative writing, and penmanship.

Mathematics – This challenging program gives students a solid preparation for higher math in the Secondary School.

Social Studies – The social studies curriculum covers the themes of self, family, community, the Cayman Islands, the region, world studies, and US History.

Science and Health – An investigative and hands-on approach covering multiple topics to develop skills of research, inquiry and discovery is used. ACSI materials are used.

Other – Music, Art, P.E., Computers and Spanish.

4.8 RESEARCH PAPER AND PROJECT-BASED LEARNING

Grades 1-5 will do at least one research paper with clear step-by-step guidance from teachers. The English Subject Leader will coordinate and monitor this activity.

In order to encourage the use of books, as well as the internet for resource material, at least one-third of the resources for a research paper should be books.

Plagiarism is a term all students must know and understand. Not only do they need to give credit for someone else's work, but also they need to learn to digest material and present it without copying it. Teachers are required to implement this important exercise of researching, reading, analyzing and writing into their curriculum each year, particularly with regard to the Internet.

4.9 AWARDS

Aside from the Honor Rolls Awards, students can earn the following awards:

1. Perfect Attendance (never absent, never late)
2. Participation in school sponsored sports teams
3. Participation in special events or activities such as NCFA, Sports Day, essay, art, and speech contests
4. Most Outstanding Student – based upon academic effort, attendance, extra-curricular activities, attitude, work habits, behavior, and ability to get along with others
5. Creative Christian Character

4.10 CLASSROOM DISCIPLINE PLAN

Triple C School uses an assertive discipline plan. The premise of this plan is based upon caring teachers, involved parents, and high expectations.

The plan comprises three components:

- 1. Expectations/Rules:** Students are to follow the school-wide expectations and the classroom rules as set out by the classroom teacher.
- 2. Rewards:** Students will be rewarded regularly and in various ways for consistently meeting or exceeding behavior expectations.
- 3. Consequences for Non-compliance:**

Minor Offenses

Elementary disciplinary procedures will vary from teacher to teacher. They will be age appropriate and pre-approved by the Administration.

Major Offenses

Major offenses will be referred to the Administration. Parents will be contacted and the offense will be dealt with as deemed appropriate.

Severe Offenses (see section 5.16)

Consequences for severe offenses are the same for all students at Triple C School.

Students served on an Individual Education Plan (IEP) will receive a Special Diploma. Because our educational program is almost identical to that used in the United States, Triple C's credits are accepted in schools, colleges, and universities in the United States. Our graduates have also attended Canadian and West Indian universities.

Students must complete 12 units of credit by the end of Grade 9 to be classified as a sophomore. They must complete 24 units of credit by the end of Grade 10 to be classified as a junior and 36 units of credit by the end of the Grade 11 to be classified as a senior.

Quarter grades are determined by a student's work (homework, quizzes, tests, as well as participation). Semester grades are determined by averaging the quarter grades and semester exam giving each equal weight-- 1/3. Both semester grades are averaged to determine a passing grade and credit for the year.

- If a student's average quarter grade drops below 73% he/she will be placed on academic probation. A student will remain on academic probation until he/she shows significant improvement and passes the course. Students on academic probation will not be allowed to play/perform in school-sponsored competitions.
- If a student receives less than 73% in Mathematics or English, tutoring will be required until he/she demonstrates progress in his/her work.

5.13 TRANSFER GRADES

All grades are accepted as recorded on the official transcript from the transferring school. These grades will be used as follows:

1. towards the total number of credits
2. to calculate final grade point average
3. to determine class rank

Credits transferred may not exceed the maximum number of credits (14) possible at Triple C School for a given year. On an individual basis, the principal or guidance counselor will determine the acceptance of transfer grades and credits from a non-American school system.

Note: Students who transfer any credits or have to make-up courses after entering 11th grade will not be eligible for Valedictorian and Salutatorian.

5.14 RESEARCH PAPER AND PROJECT-BASED LEARNING

All students in Grades 6-12 will research from multiple sources and put together a comprehensive report. Some reports can be short and restricted, but at least one report during the year must be long and comprehensive. This should follow the accepted format (see high school English teachers for guidance). The English Subject Leader will coordinate and monitor this activity.

In order to encourage the use of books as well as the internet for resource material at least one-third of the resources for a research paper should be books.

Plagiarism is a term students must know and understand. Not only do they need to give credit for someone else's work, but also they need to learn to digest material and present it without copying it. Teachers are required to implement this important exercise of researching, reading, analyzing and writing into their curriculum each year, particularly in regard to the internet.

5.15 HOMEWORK

Homework is given regularly to reinforce studies. Parents are to inquire about homework each day, provide a good environment for study, and see that it is completed. All work will be graded, results discussed with students and returned to students within a week, except in exceptional circumstances. All students in Grades 6-12 are required to have an assignment book. Expected homework time per day is

Grades 6-8	1 hour
Grades 9-12	2 hours

5.16 BEHAVIOR MANAGEMENT PLAN

The premise of this plan is to provide an environment and structure in which students can become successful academically as well as socially. It is based upon caring teachers, involved parents, and high expectations. It is our goal to strike a balance between warmth and discipline, as we coach, support, and correct students, whilst holding each of them accountable for their behaviours. We are always striving to increase the number of students who practice self-discipline and make punitive means unnecessary.

The following consequences are laid out for students who are not managing themselves well:

In the event that a female student becomes pregnant or a male student becomes a father, the student will be withdrawn from school with a plan for completing the school year.

5.17 STUDENT COUNCIL

Student Council officers and representatives are elected by the student body to serve for a period of one year. The Student Council is the forum through which students can voice their suggestions and ideas. The Council provides leadership for student projects, enhances school spirit, and recognizes and awards student and teacher accomplishments. In addition to providing leadership training and experience opportunities for students, it raises funds each year for the school.

5.18 COMMUNITY SERVICE

All High School students (Grades 9-12) are required to complete 20 hours of Community Service per year. The hours are to be certified and recorded by the Homeroom teacher.

The **Y.E.S Club (Youth Experiencing Salvation)** gives students an opportunity to share their love for Christ with one another and mature in their faith. Teen Advisors provide students with the chance to be leaders among their peers and among younger students dealing with day-to-day situations.

There are several other clubs offered each year. This will be announced during Open House.

Officers of all student leadership organizations are provided with leadership training (4 hour course).

Long live our noble Queen
God save our Queen
Send her victorious
Happy and glorious
Long to reign over us!

NATIONAL SONG

BELOVED ISLE CAYMAN

O land of soft fresh breezes - of verdant trees so fair
With the Creator's glory reflected everywhere
O sea of palest emerald merging to darkest blue
Whene'er my thoughts fly Godward
I always think of you.
Chorus
Dear verdant island set in blue Caribbean sea
I'm coming, coming very soon
O beauteous isle to thee.
Although I wander far, my heart enshrines thee yet.
Homeland fair Cayman isle, I cannot thee forget.

TRIPLE C SONG

TRIPLE C ALL HAIL!

Triple C, our dear old school
Guide of soul and mind
Thou hast taught within thy borders
To aid all mankind
So for this thy noble purpose
May our best avail
Friend of all that's good and upright
Triple C, All Hail!

Hail to thee, our Triple C
Long thy name shall reign
In our hearts forever highest
Loud thy praise we sing
